## A Winnipeg girl tells how ugly blackheads can be removed by SNAP

"Facial cleansing with SNAP removes any blackheads and possible resulting pimples, leaves pores clean without enlarging them". Another girl writes: "SNAP is just wonderful for cleaning the skin when you have blemishes on the face. It helps clear them up just beautifully".

A Toronto girl writes: "I am writing to tell you what a fine product you have in SNAP when used (especially for teenagers) in cleaning the skin. There's nothing to compare with it for toning and cleansing. All the girls at the office use it . . ."

We constantly receive letters like these, telling us how SNAP cleans the skin, stimulates the circulation, and helps improve the complexion.

Give SNAP a chance to help your skin!
